Dear Immaculate Conception Parishioners,

I have been waiting almost three months to write you this letter. Beginning this weekend the right to publically participate in the celebration of the Holy Mass in our parish churches has been restored!

In order to accommodate the limited number of people allowed in church at any given time an additional mass is scheduled at 5:00 PM Sunday afternoon. Included with this letter is the schedule for each weekend of the month of June. Going by the first letter of your last name the mass you are requested to attend will rotate each week.

I realize the mass you are asked to attend may not be your first preference. For three months we have had no public masses in church. Everyone has made sacrifices. I ask that you continue your mature and cooperative spirit.

Bishop Paprocki continues to grant the dispensation from the obligation to attend Holy Mass until further notice. Those who are not well must remain at home and those who believe they are at risk of infection should exercise prudence.

Hygienic and sanitary safety measures are being carried out for your safety in church. Safe distancing of 6 ft. should be maintained between individuals while in church with families staying together. When adults maintain social distancing a mask is not required.

As Catholics we believe Jesus Christ is fully present, Body, Blood, Soul, and Divinity, under either form of the Eucharistic species. When we receive the Sacred Host we receive "all of Jesus." The Precious Blood will not be offered to the faithful. The sign of peace may be offered without contact. There will be no ushers or gift bearers. There will be a basket for offerings on the gift table by the Baptismal font. Thank you for your continued generosity. Bulletins will be available in baskets for you to pick up as you leave church.

With all the challenges our nation, state, and community face there is nothing more essential than the grace of God made present in the liturgy and the sacraments. I thank you in advance for your cooperation in protecting the health of our parish members and the sacredness of our worship.

With daily prayer for you,

Fr. John Titus, pastor
